

Maasai Association **Drought Relief Form**

Dear supporter,

Thank you for helping us prevent hunger in Merrueshi.

The drought situation in East Africa is getting grim. While the situation is more severe in northern Kenya, the effect is slowly making its way into the Maasai region. Maasai Association is getting ready with food supplies in case the situation becomes a problem. Your donation can help us prepare and avert a looming drought problem. Your donation will support our schools and the village at large. We are grateful for your support.
